## *St. Christopher's Episcopal Church Stewardship Campaign 2011*

In grateful response to God for all of His many blessings, I/we promise to contribute in the following ways during the calendar year of 2011 for the Operation of the church. I/we realize this promise is being made to God in the context of the ministries of St. Christopher's Episcopal Church. If at any time it needs to be revisited, I/we will discuss it with the church leadership.
